is attached hereto.

■ was filed on June 28, 2005 as U.S. Patent Application Serial number 10/541,011 which claims priority to PCT International Application No. PCT/IL2003/001112, filed on December 29, 2003; and on January 2, 2003 as Israeli Application No. 153792.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56, and understand that this duty is continuous until this application matures into a patent.

I hereby claim foreign priority benefits under Title 25, United States Code, Section 119(a)-(d) or Section 365(b) of any foreign application(s) for patent or inventor's certificate, or Section 365(a) of any PCT International application which designated at least one country other than the United States, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate or PCT International application having a filing date before that of the application on which priority is claimed:
